

**YOUR NEXT TECH  
SUPPLIER**  
5 REASONS TO  
CHOOSE US!

**EVOLU**DATA

# We get you

You have plans to grow your business, do something special, create a winning team.

Sounds great.

But you can't run that kind of business on spreadsheets and SaaS apps that don't work together.

**It takes a joined-up information system to help your business level advantage from its people and data.**

With our FREE software and chargeable services, you get an always-on, always-evolving digital ecosystem.

# 1 Useful software that's always free

**WikiSuite** is an OPEN SOURCE information management tech platform that will always remain free

Everything you need in a digital ecosystem without the legacy burden or make-do spreadsheets!

# 2

## Everything in the box you'll ever need

It's essential for effective collaboration (and operational economies) that ALL of your stakeholders use THE SAME digital platform. With **WikiSuite**, everything is in the box to drive your digital transformation.

# 3

## Instantly-on

**We'll get you on your way.**

Our onboarding packages make light work of getting your new information management system tailored to your needs and up-and-running fast.

Enjoy the benefits of best-in-class customer experience and back-office savings faster

# 4

## Game-changing teamwork

We call it the **TIKI-WAY**. It's a fresh approach to teamwork aided by tech-tools that produces more

# 5

## An ethical tech partner that's with you every step of your journey

Invest in an EVOLUDATA solution and you're not buying enterprise software. Instead, you're investing in the skills and resources of our tech team to support you every step of the way on your journey. We become your IT team, an extension to your business; committed to your success and sharing wealth with people that work hard to deliver innovation, creativity and results.

# A few things you can take for granted

We're committed to your success. That's why every customer is allocated a **Single-Point-of-Contact** throughout their life with us, from the first app development to the latest.

We **safeguard your data**. Ask us for our data security whitepaper

We are a **fair community**, always ensuring through our policies and behaviours we offer equal opportunities to all

We do our bit to **keep the planet** how we all like it

We offer affordable answers to your technology questions. Our **FREEDOM** contract means that you always know what you're paying for. **No surprises**. No project over-runs or disappointments.
