Marc Laporte

Founder http://WikiSuite.org
CEO http://EvoluData.com

Marc is working as a bridge between the Open Source software communities and the business world to work together to create a win-win partnership. He founded WikiSuite.org in 2011, which has since become the most comprehensive and integrated Free / Libre / Open Source enterprise software suite.
Marc works with a wide range of organizations including governments, NGOs and enterprises around the world and builds software solutions to streamline operations, improve productivity and taking control of the organizational data.
