# Why You Should Want This

- **If you are not online, it's as if you don't exist.**
- If you don't own your own domain name, you are not in control of your digital identity.
- If you don't have a website, you don't know how many opportunities you have lost.
- Thanks to content management features, you can easily keep your website up to date, without paying for a programmer (unlike in the early days).
