

# DATA MIGRATION

Your data isn't "Tiki formatted"? This is not a problem since we can convert to Tiki data from these solutions:

- WordPress
- MediaWiki
- Joomla!
- Drupal
- Microsoft Access
- FoxPro
- FileMaker
- RoboHelp
- Microsoft Office documents (.doc, .xls, .ppt, .pdf, .csv, etc.)
- LibreOffice documents (.odt, .ods, .ott, .odb, etc.)
- Etc.
