Comments

Impact: Tiki won't install here

[Marc Laporte](#) 2022-09-10 14:35

<https://demo.tiki.org/24x/>

Excluding Sieve would be a (temporary) workaround.

[torsten.fabricius](#) 2022-09-13 07:04

When command line access, it is possible to install without Sieve and make Tiki running, although not having advantages of Sieve.

Spin off
